

**Friday June 19th**

**Word Families:** Parents please give your children a spelling test and short dictation test based on this week's word study. This week the spelling test is made up of words from the -ick and -ap word families. The children can use their phonological awareness to sound these words out. In the dictation the children have a chance to practice some of their tricky words. See sample below.

**Spellings:** kick, sick, trick, cap, trap, zap

**Dictation Sentences:**

1. My cap is on my lap.
2. I can see the stick and the brick.
3. Do not kick the cat in to the flap.

**Maths/Science:** Today's Maths activity is on Seesaw.

**SESE:** Watch the video of Sarah C bringing the frogs to the pond.

After you watch the video, I would like you to write down everything you have learned about the life cycle of a frog in your copy. Here are some words that might help you.

frogspawn	tadpoles	froglet	legs
pond	frog	jump	swim
