Word Families: Today we will look at the **-and** word family.

Look at the pictures below and write a list of the words that you see. Remember they all end in **-and**.

Tomorrow your task will be to write the words without the pictures so make sure you really focus your brain on the pictures that you see and the words that you write.

One child is playing a drum set, another is playing a green guitar, another is playing a blue guitar, and the fourth is singing into a microphone.
