

## Monday 22nd June

**English:** This week we will be revising another 'Word Family.' Word families have the same sequence of letters at the end so they rhyme. Today we will look at the **-all** word family. Look at the pictures below and write a list of the words that you see. Remember they all end in **-all**.

Tomorrow your task will be to write the words without the pictures so make sure you really focus your brain on the pictures that you see and the words that you write.

**Story:** Click here to see Sarah C reading The Smartest Giant in Town. Try to remember the story, we will be reading it in Irish later in the week! <https://youtu.be/GjhGNBkjGUc>

**Maths:** Today's maths lesson about 2D Shapes is on Seesaw.

**6th Class Virtual Guard of Honour:** Give our 6th class a message before they leave school. This activity is on Seesaw.

**Active Week Fortnight:** Go to the [Active Fortnight webpage](#) and find an activity you'd like to do today.

**Art:** Summer Flip Flops! Summer is nearly here so today try to make

your own colourful flip flops. There is a picture below to give you some inspiration! Here are the instructions.

- 1) Trace the shape of your child's foot on a piece of cardboard or paper.
- 2) Cut the shape of your child's foot out.
- 3) Next, cut out a rectangle from plain paper to make the straps.
- 4) Allow your child to design the flip-flop any way they like using crayons, markers, oil pastels, paint, anything at all!
- 5) Glue or sellotape the band to the flip-flop and Voila!
- 6) Send us a picture on Seesaw so we can see your wonderful creation!
