

## Tuesday 26th of May

**Maths:** Today's maths lesson is an exercise on graphs. It is on Seesaw.

**Word families:** Yesterday we looked at the **-in** word family. Can you remember the words that you wrote to match with the five pictures? Try your best to write them from memory or else use the clues below to help you:

- 1) I put the wrapper in the \_\_\_\_.
- 2) At the bottom of my face, you will find my \_\_\_\_.
- 3) I saw a \_\_\_\_ of beans in the shop.
- 4) I saw the shark's \_\_\_\_ in the water.
- 5) I have a race on Saturday, I hope I \_\_\_\_.

**Story:** Remember our story from yesterday about The Incredible Book Eating Boy? Well, today I would like you to log in to your Seesaw and there is an activity for you to try there.

## Gaeilge: Game- Deir O Gradaigh

Watch Podge and Sinead play Simon Says or Deir O Gradaigh as Gaeilge on Seesaw.

- Listen to Sinead's instructions and get ready to play Deir O Gradaigh/Simon Says with Sinead and Podge.
- Make sure to allow your child to wash their hands before and after playing this game in case they put their hands on their face.
- If you'd like, you can continue the game at home with your child by saying  
'Deir O Gradaigh, cuir do lámh ar do \_\_\_\_.'= Simon Says,

put your hand on your \_\_\_\_\_ or alternatively you can allow them to take the lead and become Simon Says.

- If you like, you can send a video of your child responding to the instructions/playing the game on Seesaw.
