

Home Learning

Week beginning Tuesday June 2nd

Here are our learning topics for this week:

Themed Fortnight - Diversity Fortnight activities each day

English - Word families, story-Willie the Wimp.

Maths-3D Shapes and revising the Story of 10

Gaeilge- An Aimsir / The Weather

Music- Listening and Responding and Composing (Making a Wind Chime)

Daily activities will include:

Themed Fortnight: Go to the Diversity Fortnight page for each day's activity!

English : Word families

Maths: 3D Shapes and Revising the Story of 10

And **one** other activity that changes each day.

Some extra resources you might find useful this week:

- 3D shapes from the household
- This Friday, there will be a music lesson based on making a wind chime. Throughout the week try to collect items from the outdoors: a sturdy stick, some small rocks, leaves, acorns.
- Try to collect items throughout the week in your household that would make noise in the wind chime too. For example: keys, bottle caps, beads, old cutlery, empty food tins.

This week more of the Home Learning is on the Seesaw app. Videos for each day will be uploaded to the app the night before.

Below you will find a **suggested** schedule for each day! Please note that this outline is only a suggestion. We are aware that there are lots of things happening at home so please do what you feel is manageable. Remember to get up and move your body after each activity you complete. For those of you who want some extra challenges, please take a look at our [bonus activity page](#).

Have a great week!
